FOR IMMEDIATE RELEASE

Economic Stimulus Package for UFO Race Championship, Revision to Points Bonus and Entry Fee Policy!!!

In an effort to benefit racing teams, member tracks of the UFO Race Championship have agreed to their own economic stimulus package. These changes will take effect with the next event on July 11 at Roaring Knob Motorsports Complex.

After quick discussion between the member tracks, revised plans were quickly formulated. The race teams will benefit from the stimulus package, in the elimination of entry fees for all races that pay less than \$25,000 total feature payoff during the remainder of the 2009 season. Despite the elimination of the entry fees, all 2009 feature payoffs will remain the same.

The 2009 points bonus will now be paid to the top seven drivers in the points standings at the end of the season. The point bonus will consist of track contributions of \$500 for each full point feature event that is completed, plus 100% of sponsor contributions.

The UFO race championship will continue the policy of not having a membership requirement or membership fee. It is the goal of the UFO race championship to benefit race teams and the outstanding racing fans by offering strong payoffs, reducing competition costs and providing the best racing format. Any area racing facilities that share the same philosophy are welcome to be a part of the UFO Alliance.

The UFO Race Championship Tour is proudly sponsored by Lias Tire/American Racer and Hoosier Tire Mid-Atlantic. 100% of their sponsorship will be given to the top point standing drivers in prize money and awards. More information on these sponsors may be found at hoosiermidatlantic.com and americanraceronline.com.
